Note

This author index includes articles and discussions. It does not include book reviews, shorter notices, book notes, or other editorial matter. (Book reviews in volumes 1–41 [October 1890–July 1931] are indexed in the index to those volumes published in 1931; book reviews in all subsequent volumes are indexed in the annual indexes.) It might be helpful to some users of this index to note that the journal was known as *The International Journal of Ethics* from its founding in 1890 to the issue of April 1938 (volumes 1–48, no. 3), and as *Ethics: An International Journal of Social, Political, and Legal Philosophy* for the remainder of the period covered by this index.
